Concerning Gleet and Seminal Weaknesses
of all Kinds.

ALL judicious Physicians and Surgeons

allow, that nothing is more difficult to cure than Stubborn Gleet and Seminal Weaknesses, whether occasion'd by too severe purging for Venereal Injuries, violent Strains, Pollution, &c. or any other Cause whatever, and that they are dangerous in their Consequences, as well as difficult to cure, is as certain, since they exceedingly weaken the Generative Faculties, infest the whole Nervous System, often bring on Headick Heats, a Tabes Dorsalis, or Consumption of the Back, or an Atrophy or Nervous Consumption, which frequently terminate in Death itself.

All such, therefore, who have the Misfortune to be troubled with Old or Stubborn Gleet, Seminal Effusions, Involuntary Emissions, excessive Nocturnal Pollutions, or any Weakness of the Kidneys, Urinary, or Bladder, the Diabetes, or Incontinency of Urine, or Difficulty of holding their Water, would doubtless be glad to meet with a certain, safe, and speedy Cure, which they most assuredly may, by taking only a small Quantity of a transcendent Balsamick Electuary. ELECTUARY, now published for a general Good, after having for many Years been experience'd never once to fail perfectly curing the most Stubborn Gleet, in a few Days, without Difficulty of Trouble, as also all other Weaknesses of the Back, Reins, Seminal Vessels, and Urinary Passages, which almost instantly cures, brings to rights and restoring all those Parts and Passages to their natural Tone and pristine Vigour, in a very extraordinary Manner, and by taking a few Doses of it only.

This transcendent **BALSAMICK RESTRICTIVE ELECTUARY** is neither disagreeable to take, nor occasions the least Disorder, but is a wonderful Restorative in all Weakness and Defect of Constitution of any Kind, and particularly strengtheneth the Back, Reins, Seminal and Urinary Vessels to an eminent Degree, insomuch that in any Debility of them, one Dose of it does more than ten of any other Remedy yet found out, and all Persons fatigued with Gleet or Seminal Weaknesses, or Sort, or Weaknesses of the Urinary Vessels, who take it, in three Days time find it so very effectual, that they will be most agreeably surpris'd at it.

When a Medicine will infallibly accomplish such a speedy and perfect Cure of such difficult Maladies, as Gleet and Seminal Weaknesses are, as this Great Remedy truly and directly will, even after all other Means and Medicines have been tried in vain; too much cannot be said in its praise, and all who ever took it for any of the above-mention'd Purposes have readily declared.

The Price is but 6s. a Pot, altho' for its absolute Effect one Pot alone being sufficient in most Cases to accomplish a Cure, worth ten times as much, and by the Author's special Appointment, is to be had only at Mr. Rastell's Toy-shop, at the Rose and Crown against St. Clement's Church-yard in the Strand, ready sealed up, with a Book of Instructions, which whomsoever carefully reads will perfectly know, when the Gleet or Weakness he is afflicted with succeeds a Venereal Injury, whether all the Malignity of the Foul Disease is intirely eradicated or not.

Note, Ask only for a 6s. Pot of Balsamick Electuary.

The Universal Family MEDICINE,

Still more and more fam'd, after upwards of 15 Years Success with the Publick;

Is sold by the Author's Appointment, by Mr. King, Printer of the Poultry, near the Royal Exchange; by Mr. Moore, Stationer, at the Sign of the Duke of Cumberland, in Cornhill; by Mr. Thomas, Stationer, near Leicesters Fields; by Mr. Thomas, Stationer, Postmaster of Bunbury in Suffolk; and by Mr. Hildyard, Bookseller in York; at 3 s. the Bottle Retail.

It is to be taken at any Season of the Year, and is very agreeable to Young and Old, that Children take it without Trouble, a few Drops being a Day, and so gentle, that it weakens not the most delicate, and is a safe and effectual Alterative, so be taken in a less Dose than where Purging is necessary, as a Colledge interest in this Medicine, which is a Family Property well known to the Learned, so be it from Colledge Medicines.

It is in particular,

A Certain and infallible Cure for the SCURVY, tho' of the longest Standing, and attended with the most aggravated Circumstances (a Distemper common to English People, that not one in a thousand is exempt from it, and great Numbers are sorely afflicted with it) being a cordial Elixir, peculiarly adapted to that Disease in all its Forms of appearing, from the slightest itching Humour in the Blood, to its utmost or last Effusions on human Nature.

For it is a true Specific Cordial, that perfectly cures the Distemper by gentle Evacuation, by Stool and Urine, the only sure and effectual Way perfectly to cure the Scurvy, and prevent Relapses (notwithstanding what may be decreed the contrary) the Truth of which is witnessed to daily, by many Thousands that have taken this Medicine. It is powerfully rectifies the Blood and Juices, that seraphous Cause also speedily cured by it; and all Spots, Blisters, Pimples, &c. on the Skin, are quickly and entirely taken off, the Patient made lively and brisk, many chronic Diseases prevented, and a due State of Health secured.

Good Allowance is given Wholesale by Mr. King for Money to Country Shopkeepers, &c. to sell again. This Medicine will keep many Years in any Climate.

The Directions given with it are large and full.
